Course element found effective

(ECO 182LD) I though lecture was helpful.

(ECO 182LD) The lessons were very detailed

(ECO 182LD) good

(ECO 182LD) In class notes

(ECO 182LD) The combination of slides and notes helped thoroughly explain the material. Good use of graphs and review

(ECO 182LD) Graphs that show the correlations

(ECO 182LD) The Homeworks were difficult but a learning experience in their own. The large effect they had on your grade motivated you to really work through it all and understand it,

(ECO 182LD) Home work

(ECO 182LD) The homework helps me to understand the knowledge which i learned from the class

(ECO 182LD) I like the fact, that we didn't need to purchase a textbook. I also thought it was helpful to have online notes (slides) that essentially summarizes the lecture/topics.

(ECO 182LD) Note taking

(ECO 182LD) Very work heavy, but doable. Professor was approachable and nice.

(ECO 182LD) Going over examples after learning a new topic and writing the key topics down before jumping into the unit.

(ECO 182LD) Lectures
